Notes:

We have about 20 to 24 women in The Highlands 18-Hole Ladies League. The skill level is varied from single digit handicaps to just under 40. Because of the range in skill level and the small number in league we will mix it up so you will get acquainted with all players.

The club championship is played for three weeks in August (8th, 15th, and 22nd). You will play the club championship in your flight.

Sept. 19, 2011 is the last day of league. Following play there is a luncheon at The Highlands Grill followed by awards.
