### Fees:

A team consists of up to **7** members. Each week up to 5 members can play. All players must establish a handicap to be eligible for a weekly team score. **The Pro Shop will calculate your team score each week and post individual scores.** Team points are accumulated during the season based on weekly scores to determine the winners at the end of the season. If you do not have 5 members to play on league night, you can play with less or get a substitute. All substitutes must pay the league dues and have a current active GHIN.

All GHIN numbers are currently deactivated. We will reactivate your account upon payment of your GHIN fee for the upcoming season. **You pay one GHIN fee for all Highland's Leagues. If you already have a current GHIN at another course, you do not have to pay an additional GHIN fee to play Thursday Team League.** Please provide your GHIN when signing up or at least the provide the name of the course where it is from.

If you do not have an established handicap, we will establish one based on a player's three-week average until a handicap is determined. Maximum handicap allowed is 40 for 18 holes. After ten rounds, or 20 nine-hole rounds, a GHIN handicap in the computer will be established.

Please sign the Team sign-up sheet and indicate your tee time preference that begin at 3:00 pm. If we have more than one team desiring the same tee time, there will be a lottery to determine your official tee time. If your team needs to change your tee time any given week, it is your responsibility to call the Pro Shop to do so.

All team fees need to be paid by April 25<sup>th</sup> for the team/individual scores to count for prize money. Come join us and have some fun.
